CIRCULAR TO SHAREHOLDERS

1. INTRODUCTION AND PURPOSE OF THIS CIRCULAR

Shareholders are referred to the announcement published on SENS on 29 August 2019 in terms of which Shareholders were advised that the Company and Huge Connect had entered into an Implementation Agreement with Windfall, an associate of Mr Vincent Mokholo, who is a non-executive director of, and a related party to, the Company. Windfall's issued shares are held as to 40% by Mr Mokholo and as to 60% by his wife, Mrs Sylvia Mokholo. Windfall is therefore itself a related party to the Company in terms of the Listings Requirements.

The Implementation Agreement contemplates the conclusion of various transaction agreements, including the Huge Group Preference Share Subscription Agreement between the Company and Huge Connect, the Windfall Ordinary Share Subscription Agreement between Huge Connect and Windfall and the Huge Connect Shareholders Agreement between the Company, Windfall and Huge Connect.

In terms of the Huge Group Preference Share Subscription Agreement, the Company will subscribe for the Preference Shares for the Preference Share Subscription Price, and simultaneously Huge Connect will declare the Huge Connect Ordinary Dividend. The obligation of Huge Connect to effect payment of the ordinary dividend will be discharged *in toto* by set-off against the obligation of the Company to effect payment of the Preference Share Subscription Price. As a result of the set-off contemplated above, the obligations of the Company to make payment of the Preference Share Subscription Price, and of Huge Connect to make payment of the Huge Connect Ordinary Dividend, will be fully and finally discharged. The Huge Connect Preference Shares will remain in issue until redeemed by Huge Connect.

Thereafter, and in terms of the Windfall Ordinary Share Subscription Agreement, Windfall will subscribe for 36 Ordinary Shares for the Windfall Subscription Price such that, after the issue of the Windfall Subscription Shares, Windfall will own 16.29% of the issued Ordinary Share capital of Huge Connect. The value of the Windfall Subscription Shares will represent 16.29% of the difference between Huge Connect's market value, and the Redemption Amount of the Preference Shares from time to time. Accordingly, as Huge Connect's market value increases after implementation of the Proposed Transaction, and/or the Huge Connect Preference Shares are redeemed or Preference Share Dividends are paid, there will be a concomitant increase in the value of the Windfall Subscription Shares.

The purpose of this Circular is to advise Shareholders of the terms and conditions of the Proposed Transaction in order to enable them to make an informed decision as to whether or not they should vote in favour of the Resolution set out in the Notice of General Meeting in relation to the approval of the implementation of the Agreements. Accordingly, this Circular is disseminated to Shareholders and contains a Notice of General Meeting to be convened in order for Huge Group Shareholders to consider and, if deemed fit, pass, with or without modification, the Resolutions to be proposed at the General Meeting.

2. OVERVIEW OF THE PROPOSED TRANSACTION

2.1 Proposed implementation steps and resulting Huge Connect shareholding structure

Immediately prior to the implementation of the Proposed Transaction, and subject to the Suspensive Conditions being met, Huge Group will subscribe for the Huge Connect Preference Shares at the Preference Share Subscription Price, which equates to the fair value of 99.798% of the Huge Connect Ordinary Shares in issue at the Last Practicable Date, as determined by the Board.

The Preference Shares will carry a coupon equal to the Preference Dividend Rate which will be declared and paid at the discretion of the board of directors of Huge Connect, but shall rank ahead of any dividend in respect of the Huge Connect Ordinary Shares. If any dividend paid on the Huge Connect Preference Shares falls short of the full amount of the coupon declared or if the coupon is declared but not paid at all, for any reason, such shortfall or non-payment shall constitute an Arrear Preference Dividend and shall be accumulated and taken into account for the purposes of calculating Preference Share Dividends thereafter, with effect from the first day following the stipulated due date for payment.

The Preference Shares will be redeemed on the Redemption Date for the Redemption Amount. Any amounts not paid by Huge Connect on the Redemption Date will attract an interest charge at 2% above the Preference Dividend Rate for the period from the Redemption Date until the date on which the payment of the outstanding amount is paid.

The Preference Shareholders must be given notice of any shareholders meetings of Huge Connect and are entitled to be present at any such shareholders meetings. The Preference Shareholders will only be entitled to vote at the meeting in the event that (i) there are Arrear Preference Dividends outstanding, (ii) a Redemption Event has occurred, (iii) there are arrear Issue Price Repayments outstanding, (iv) a Redemption Amount is overdue or (v) a person other than a Preference Shareholder proposes a resolution which affects the rights or privileges attached to the Huge Connect Preference Shares. At any meeting of the shareholders where the Preference Shareholders are authorised to vote, the Huge Connect Preference Shares will, collectively, have so many votes as is necessary to pass a special resolution of the shareholders of Huge Connect. The Preference Shareholders shall be entitled to require Huge Connect to call a shareholders meeting in any instance in which the Preference Shareholder shall be entitled to exercise its voting rights.

The Preference Shareholders are entitled to transfer the Huge Connect Preference Shares and or cede/delegate rights and obligations under the Huge Connect Preference Share Documents to any other person, provided that the consent of Huge Connect is required for any transfer of Huge Connect Preference Shares unless the new Preference Shareholder is an affiliate of the transferring Preference Shareholder or a Redemption Event has occurred and is ongoing.

Huge Connect will declare the Huge Connect Ordinary Dividend to Huge Group (as the sole shareholder of the Huge Connect Ordinary Shares), in an amount equal to the Preference Share Subscription Price. The obligation of Huge Connect to effect payment of the Huge Connect Ordinary Dividend will be discharged *in toto* by set-off against the obligation of the Company to effect payment of the Preference Share Subscription Price.

The net position after declaration of the Huge Connect Ordinary Dividend, and its set-off against the Preference Share Subscription Price, will be that the obligations of the Company to make payment of the Preference Share Subscription Price, and of Huge Connect to make payment of the Huge Connect Ordinary Dividend, will be fully and finally discharged. The Huge Connect Preference Shares will remain in issue until redeemed by Huge Connect.

After the issue of the Huge Connect Preference Shares and the set-off of the Huge Connect Ordinary Dividend against the Preference Share Subscription Price, Windfall will subscribe for the Windfall Subscription Shares at the Windfall Subscription Price, such that, after the issue of the Windfall Subscription Shares, Huge Group's percentage shareholding in Huge Connect will decrease from 100% to 83.71%, with Windfall holding 16.29% of the Huge Connect Ordinary Shares in issue.

2.2 Rationale for the proposed implementation steps

The rationale for including the Preference Shares as part of the Proposed Transaction, is to reduce the value of the Huge Connect Ordinary Shares, and thus to enable Windfall to acquire the Windfall Subscription Shares at an affordable price. The Preference Shares rank ahead of the Ordinary Shares in respect of a return of capital up to the amount of the Preference Share Subscription Price, and in respect of dividends up to a dividend coupon equal to the Preference Dividend Rate. Accordingly, once the Proposed Transaction has been implemented, the Ordinary Shares will only participate in Huge Connect's capital and dividends after the aforesaid amounts have been paid to Huge Group (as holder of the Preference Shares). The value of the Ordinary Shares will accordingly be reduced. The Preference Shares therefore facilitate Windfall's subscription for the Windfall Subscription Shares, enable it to participate in the future growth in value of Huge Connect, and result in both Windfall and Huge Connect being empowered.

The overall rationale for the Proposed Transaction is to further the Company's commitment to driving transformation in ways that are sustainable, credible and of benefit to all its stakeholders. The Proposed Transaction is in keeping with this objective and the spirit of transformation and constitutes a positive step in aligning Huge Connect's ownership structure to the ownership elements of the B-BBEE Codes. It is envisaged that the implementation of the Proposed Transaction will significantly improve Huge Connect's B-BBEE credentials over the long-term, thus ensuring that it will continue to maintain its competitive advantage in both the private and public sectors.

Huge Group is committed to transforming the businesses in which it invests by empowering these businesses in terms of the B-BBEE Codes, as read with the ICT Sector Code, published by the Minister of Trade and Industry under section 9 of the B-BBEE Act. In addition, the payment services providers and commercial banks, who are customers of Huge Connect, all have preferential procurement requirements, which require their suppliers to be empowered in terms of the B-BBEE Codes and the B-BBEE Act. The Proposed Transaction will empower historically disadvantaged individuals and it will also ensure that Huge Connect remains competitive in its chosen market segment.

2.3 Conditions precedent

The Proposed Transaction is subject to the fulfilment or waiver (to the extent that the waiver is competent in law) of, *inter alia*, the following Suspensive Conditions on or before the Longstop Date:

- the written approval of the Proposed Transaction by Futuregrowth, being the lender to Huge Group in terms of the Term Facility Agreement, on and subject to any terms and conditions imposed by Futuregrowth;
- the delivery by Huge Group, Huge Connect and Windfall of all authorising resolutions required by the parties to the Agreements;
- the filing and acceptance of the Huge Connect MOI by the Companies and Intellectual Property Commission; and
- the receipt of all shareholder and regulatory approvals legally required for the implementation of the Proposed Transaction, either unconditionally or subject to such conditions as are reasonably acceptable to Huge Group, Huge Connect and Windfall.

As at the Last Practicable Date, no changes to the Term Facility Agreement, or any of the security documents relating thereto, have been made or requested by Futuregrowth, and the only Suspensive Condition outstanding remains receipt of the requisite approval of Huge Group's Shareholders.

2.4 Use of proceeds

The Windfall Subscription Price is not material to Huge Group's cash position and will be incorporated into its cash resources as working capital.

2.5 Net assets and profit attributable to Huge Connect

The net assets of Huge Connect were R144 713 517 at 28 February 2019 and the profits attributable to it for the financial year then ended were R41 145 253. This does not take into account the impact of the issue to Huge Group of the Huge Connect Preference Shares.

3. **RATIONALE FOR THE PROPOSED TRANSACTION**

Huge Group remains committed to driving transformation in ways that are sustainable, credible and of benefit to all its stakeholders. The Proposed Transaction is in keeping with the spirit of transformation and constitutes a movement towards the alignment of Huge Connect to the ownership elements of the B-BBEE Codes. It is envisaged that the implementation of the Proposed Transaction will significantly improve Huge Connect's B-BBEE credentials over the long-term, thus ensuring that it will continue to maintain its competitive advantage in both the private and public sectors.

As explained above, the specific rationale for including the Preference Shares as part of the Proposed Transaction, is to reduce the value of the Huge Connect Ordinary Shares, and thus to enable Windfall to acquire the Windfall Subscription Shares at an affordable price. The Preference Shares therefore facilitate Windfall's subscription for the Windfall Subscription Shares, enable it to participate in the future growth in value of Huge Connect's business, and result in both Windfall and Huge Connect being empowered.

4. **NATURE OF BUSINESS AND PROSPECTS**

Huge Group is an investment holding company which holds investments in subsidiaries operating in the telecommunications, technology and media industries.

Huge Telecom and Huge Connect, the principal trading operations of Huge Group, are two of South Africa's leading providers of voice, messaging, data and video connectivity services utilising a wireless GSM-based, fixed cellular, last-mile solution.

Huge Connect is a telecommunications services company with a focus on growing its payment connectivity services. It was established in 2004 and provides connectivity to the card payment terminals of merchants, payment services providers and the commercial banks in South Africa by making use of secure, managed, dual SIM connectivity over GSM data networks. It has over 32 000 merchants as customers. The Company has also expanded into other markets for payment connectivity, including connectivity for ATMs, integrated points of sale, medical/script verifications, telemetry applications, micro-lending applications and cash vaults.

5. **RELATED PARTY CONSIDERATIONS**

Mr VM Mokholo, a non-executive director of and related party to Huge Group, holds 40% of the issued shares of Windfall and Mrs Sylvia Mokholo, who holds the remaining 60% of the issued shares of Windfall, is the wife of Mr Mokholo. Accordingly, Windfall is an associate of a related party to Huge Group, and is thus itself a related party to Huge Group in terms of the Listings Requirements. The Proposed Transaction is therefore a Related Party Transaction in terms of the Listings Requirements.

The Board has appointed Moore Corporate Services Cape Town Proprietary Limited as Independent Expert to advise as to the fairness of the terms of the Proposed Transaction, and the Board confirms that it is of the unanimous opinion that the terms of the Proposed Transaction are fair. This decision was reached having had due regard to the fairness opinion issued by the Independent Expert that is set out in a letter addressed to the Board, a copy of which is contained in **Annexure 3** to this Circular.

In terms of the Listings Requirements, a majority of Shareholders (other than the related party and its associates) present in general meeting and entitled to vote must approve the resolutions necessary to give effect to the Proposed Transaction. Neither Windfall nor any of its associates hold Huge Group Shares.

6. **PRO FORMA FINANCIAL EFFECTS OF THE PROPOSED TRANSACTION**

8. LITIGATION STATEMENT

Huge Cellular, an associate company of Huge Group, initiated arbitration proceedings against Cell C SPC (a subsidiary of Cell C Limited) in terms of the ESA which expired on 28 February 2019. In terms of these arbitration proceedings, Huge Cellular seeks an order declaring that, in terms of the ESA, Huge Cellular has an accrued right to continue to access accrued credits under the ESA in an aggregate amount of approximately R50 000 000 after the expiry of the ESA.

Cell C SPC has launched the Counter-Claim, in which it alleges that, in the event that Huge Cellular is unsuccessful in the arbitration, then Huge Cellular will have been unjustly enriched in an amount equal to the value of services used by Huge Cellular after 28 February 2019 and claims payment of the relevant amount from Huge Cellular. Huge Cellular disputes both:

- that the Counter-Claim properly forms part of the arbitration; and
- the substantive validity of the Counter-Claim.

The arbitration proceedings are ongoing and the hearing is scheduled for March 2020.

The Directors are of the view that the Claim and Counter-Claim are material to the financial position of Huge Group and its subsidiaries.

Notes and assumptions to the pro forma Statement of Financial Statement

1. The Statement of Financial Position has been extracted, without modification, from the published audited annual financial statements for the year ended 28 February 2019, on which the external auditors issued a modified audit report.
2. It is assumed that the Proposed Transaction took effect on 28 February 2019 for purposes of the statement of financial position.
3. Subscription by Huge Group for 1 000 redeemable, cumulative, non-participating Preference Shares of no par value, with a coupon of Prime plus 1%, in Huge Connect for an aggregate subscription consideration of R457 075 000. The preference shares are classified as equity in Huge Connect's statement of financial position based on an independent accounting opinion obtained by the Company. This intragroup transaction is eliminated in reporting the group results of Huge Group.
4. Declaration of Ordinary Dividend of R457 075 000 by Huge Connect to the holders of the ordinary shares in Huge Connect. This intragroup transaction is eliminated in reporting the consolidated results of Huge Group.
5. The obligation of Huge Connect to effect payment of the Huge Connect Ordinary Dividend to Huge Group is discharged by set-off against the obligation of Huge Group to effect payment of the aggregate Preference Shares consideration to Huge Connect. This intragroup transaction is eliminated in reporting the consolidated results of Huge Group.
6. Subscription by Windfall for 36 Ordinary Shares in Huge Connect (constituting 16.29% of the Ordinary Share Capital in Huge Connect) at a subscription price of R5 000 per share, for an aggregate subscription consideration of R180 000, settled in cash.
7. Post implementation of the Proposed Transaction, Huge Group will hold 100% of the issued Preference Share Capital and 83.71% of the issued Ordinary Share Capital of Huge Connect with the remaining 16.29% issued Ordinary Share Capital being held by Windfall. The change in control adjustment allocating 16.29% of the ordinary equity balance of Huge Connect as at the date of the transaction has been accounted for and amounts to R55 075 956 (16.29% of the Total Ordinary Equity of negative R338 096 723 post the Ordinary share subscription and special dividend declaration of R457 075 000). No preference dividend is accounted for as it is assumed, for the purposes of the statement of financial position, that the transaction takes place with effect on 28 February 2019 and that no preference dividend is declared on that date.
8. Transaction costs estimated at R1 910 000 as detailed in note 10 of the circular are related to the issue of shares to non-controlling interests and have been deducted from equity.
9. Estimated normal taxation charges in respect of the disposal of the Windfall Subscription Shares to Windfall, have been calculated with reference to an independent tax opinion obtained, and based on the assumption that the Draft Income Tax Amendment Bill of 30 July 2019 will be promulgated into law. An effective income tax rate of 28% and capital gains tax rate of 22.4% has been assumed. The taxation charges relate to the issue of shares to non-controlling shareholders and have been deducted from equity.

Notes and assumptions to the *pro forma* consolidated statement of comprehensive income

1. The Statement of Comprehensive Income has been extracted, without modification, from the published audited annual financial statements for the year ended 28 February 2019, on which the external auditors issued a modified audit report.
2. It is assumed that the Proposed Transaction took effect from 1 March 2018 for the purposes of the Statement of Comprehensive Income.
3. Included in the Consolidation Journal Entries is the non-controlling interest's share of losses as a result of there being insufficient profits to cover the cumulative preference dividend of R51 421 000 (versus available profits of R41 145 253). The preference dividend has been calculated with reference to the prime rate of 10.25% per annum as at the beginning of the year. This leaves a deficit of R10 275 747, equating to a non-controlling interest of R1 673 919 at the 16.29% non-controlling shareholding. Any impairment on the carrying amount of the Huge Connect investment in subsidiary recognised in the Huge Group separate annual financial statements eliminates on consolidation. Given that it is assumed for the purposes of the Statement of Profit and Loss and Comprehensive Income that the Proposed Transaction took effect on 1 March 2018, Windfall's share of Huge Connect's profit for the year will be negative due to the Preference Share Dividend of R51 421 000 amounting to a larger value than the reported profit after tax for the year of R41 145 253. Ordinary Shareholders are only entitled to their share of profit post Preference Share Dividends have been declared.
4. Transaction costs estimated at R1 910 000 as detailed in note 10 of the circular are related to the issue of shares to non-controlling interests and have been deducted from equity as indicated in the statement of financial position.

Our procedures selected depend on our judgement, having regard to our understanding of the nature of the Company, the corporate actions or events in respect of which the *Pro forma* Financial Information has been compiled, and other relevant engagement circumstances.

Our engagement also involves evaluating the overall presentation of the *Pro forma* Financial Information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the *Pro forma* Financial Information has been compiled, in all material respects, on the basis of the Applicable Criteria.

INDEPENDENT EXPERT FAIRNESS OPINION TO HUGE GROUP LIMITED (“HUGE” OR THE “COMPANY”) RELATING TO AN ISSUE OF SHARES TO A RELATED PARTY (THE “PROPOSED TRANSACTION”)

1. INTRODUCTION

Shareholders are referred to the SENS announcement published on 29 August 2019 wherein shareholders were advised that Huge Connect (Pty) Ltd (“Huge Connect”), a wholly owned subsidiary of Huge, has entered into a transaction with Windfall 111 Properties (Pty) Ltd, a 100% black-owned company (“Windfall”) wherein Windfall will subscribe for 36 ordinary shares in Huge Connect, constituting 16.29% of the ordinary share capital in the company (the “Windfall Subscription Shares”) for a total subscription consideration of R180 000 (the “Windfall Subscription Price”), which subscription consideration is to be settled in cash (the “Proposed Transaction”).

In order to give effect to the Proposed Transaction, Huge, Huge Connect and Windfall have concluded a series of interlinked and inter-conditional agreements wherein:

- Huge will subscribe for 1 000 redeemable, cumulative, non-participating preference shares in the authorised share capital of Huge Connect (the “Preference Shares”) for a cumulative subscription price of R457 075 000 (the “Preference Share Subscription Price”). The Preference Shares shall be unsecured, redeemable at the option of the issuer and bear a variable coupon rate of prime plus one percent;
- The obligation of Huge Connect to effect payment of the Huge Connect Ordinary Dividend to Huge shall be discharged by set-off against the obligation of Huge to effect payment of the Preference Share Subscription Price to Huge Connect;
- Windfall shall subscribe for the Windfall Subscription Shares for the Windfall Subscription Price; and
- Post implementation of the above transactions, Huge will hold 100% of the issued preference share capital and 83.71% of the issued ordinary share capital of Huge Connect, with the remainder of the 16.29% issued ordinary share capital being held by Windfall.

The ordinary shares of Windfall are held by Mr Vincent Mokholo (a non-executive director of Huge) and his wife, Mrs Sylvia Mokholo, related parties in relation to Huge in terms of sections 10.1(b)(ii) and 10.1(b)(vii) of the JSE Listings Requirements (the “Listings Requirements”). Consequently, Windfall is a related party in relation to Huge, by virtue of it being an associate of Mr and Mrs Mokholo.

2. SCOPE

As Windfall is a related party in relation to Huge, and the Proposed Transaction constitutes a related party transaction in terms of paragraph 10.7 of the Listings Requirements, the board of directors of Huge (“Directors” or “Board”) are required to obtain a fairness opinion from an independent expert confirming whether the Transaction is fair insofar as Shareholders of Huge are concerned, excluding the related parties.

Moore Corporate Services Cape Town (Pty) Ltd (“Moore”) has been appointed as the independent expert (“Independent Expert”) by the Board to provide an independent fairness opinion with regard to the Proposed Transaction (“Fairness Opinion”).

3. **RESPONSIBILITY**

Compliance with the Listing Requirements is the responsibility of the Board. Our responsibility is to report to the Directors and Shareholders of Huge on the fairness of the terms of the Proposed Transaction.

4. **EXPLANATION AS TO HOW THE TERM “FAIR” APPLIES IN THE CONTEXT OF THE TRANSACTION**

Schedule 5.7 of the Listings Requirements states that the “fairness” of a transaction is based on quantitative issues. In the context of the Proposed Transaction, the Windfall Subscription will be considered fair to the Huge Shareholders if the consideration received from the Windfall Subscription is equal to or greater than the value surrendered by the shareholders.

We have applied the aforementioned principle in preparing our opinion on the Windfall Subscription. This Fairness Opinion does not purport to cater for individual shareholders' positions but rather the general body of shareholders subject to the Windfall Subscription. A shareholder's decision regarding fairness of the terms of the Windfall Subscription may be influenced by his or her particular circumstances (for example taxation and the original price paid for the shares). Should a shareholder be in doubt, he or she should consult an independent adviser as to the merits of the Windfall Subscription, considering his/her personal circumstances.

5. **DETAILS AND SOURCES OF INFORMATION**

In arriving at our opinion, we have relied upon the following principal sources of information:

- The draft audited financial statements of Huge Connect for the 12-month period ending 28 February 2019;
- The year-to-date management accounts of Huge Connect for the four months ended 30 June 2019;
- Share price information of Huge over the last 12 months to assess the relative liquidity and relative volatility of Huge shares;
- Published market data on Huge and Huge Connect, that we deem to be relevant;
- Forecast information for Huge Connect for the five years ended 28 February 2024 obtained from management;
- Closing the value gap – Pricewaterhouse Coopers Valuation Methodology Survey 2016/2017, 8th edition;

- Selected publicly available information relating to industries in which Huge and Huge Connect operate, obtained from management and public sources;
- Selected macro-economic analysis and forecasts from various South African banks and research institutions;
- Sharedata Online for financial data on comparable companies;
- A draft of the circular to Huge Shareholders relating to the Proposed Transaction (the “Circular”);
- The Implementation Agreement;
- The Huge Connect Memorandum of Incorporation;
- The Windfall Ordinary Share Subscription Agreement;
- The Huge Connect Preference Share Subscription Agreement;
- The Huge Connect Shareholders' Agreement; and
- Representations and assumptions made available by, and discussions held with, the management of both Huge and Huge Connect and their transaction advisors.

We have relied upon and assumed the accuracy of the information provided to and obtained by us in deriving our Fairness Opinion. Where practical, we have corroborated the reasonableness of the information provided to us for the purposes of our Fairness Opinion, whether in writing or obtained in discussion with Huge management, by reference to publicly available or independently obtained information.

While our work has involved an analysis of, *inter alia*, the annual financial statements and other information provided to us, our engagement does not constitute an audit conducted in accordance with generally accepted auditing standards.

6. PROCEDURES PERFORMED

In arriving at our Opinion, we have undertaken the following procedures in evaluating the fairness of the Transaction:

- Considered the rationale for the Proposed Transaction, as represented by Huge management and its advisors;
- Reviewed the terms and conditions of the Proposed Transaction;
- Supplemented our knowledge and understanding of Huge and Huge Connect as well as the industry in which they operate;
- Held discussions with Huge Connect management on the prospects of the underlying business opportunities within Huge Connect;
- Held discussions with Huge's transaction advisors relating to the Proposed Transaction, its structure, rationale and effects;
- Reviewed and analysed the historical financial information of Huge Connect;
- Considered the value of Huge Connect prior to implementation of the Proposed Transaction taking cognisance of the discounted cash flow valuation performed and market multiples of comparable companies;
- Assessed the forecast of Huge Connect as prepared by management and challenged certain assumptions in the context of the year-to-date performance;
- Reviewed the Preference Share terms;
- Considered the likely fair market value of the Preference Shares on date of issue taking cognisance of the expected rate of return, coupon rate and overall cost of equity and debt funding in Huge and Huge Connect;
- Considered the fair market value of Huge Connect post the Preference Share Subscription and Huge Connect Ordinary Dividend, but immediately prior to the Windfall Share Subscription;
- Where relevant, corroborated representations made by Huge management to source documents;
- Obtained letters of representation from Huge management asserting that we have been provided with all relevant information and that no material information was omitted and that all such information provided to us is accurate in all respects;
- Reviewed certain publicly available information relating to Huge and Huge Connect and the industries in which they operate that we deemed to be relevant, including company announcements and media articles; and
- Performed an analysis of other information considered pertinent to our valuation and Fairness Opinion.

We have not interviewed any of the Huge Shareholders to obtain their views on the Proposed Transaction.

Based on the results of the procedures mentioned above, we determined the fairness of the Proposed Transaction to Huge Shareholders. We believe that the above considerations justify the conclusion outlined below.

7. VALUATION

Overview

In considering the Windfall Share Subscription, Moore performed an independent valuation of Huge Connect immediately prior to the Proposed Transaction and post the Preference Share Subscription and Huge Connect Ordinary Dividend to determine whether the Windfall Subscription Price is fair to the Huge Shareholders.

For the purposes of our valuations of Huge Connect and the Preference Shares we used the income approach (discounted cash flow) valuation as our primary valuation methodology. In addition, we used the market approach (based on financial data for comparable publicly traded companies and comparable transactions) as a corroborative valuation methodology to support the results of our income approach valuation of Huge Connect only.

The valuations were performed taking cognisance of risk and other market and industry factors affecting Huge Connect. Additionally, sensitivity analyses were performed considering key assumptions. Prevailing market and industry conditions were also considered in assessing the risk profile of Huge Connect.

Huge Connect valuation

Key internal value drivers to the Huge Connect income approach valuation included the discount rate and forecasted revenue growth.

Key external value drivers to the Huge Connect income approach valuation, including gross domestic product ("GDP") growth rates, interest rates, headline inflation rates and prevailing market and industry conditions in respect of the industry in which Huge Connect operates, were also considered in assessing the forecast cash flows and risk profile of Huge Connect.

The revenue growth for Huge Connect is driven by a combination of the existing client base and new revenue streams and customers. Decreasing the forecast revenue by 1% has a 6.9% impact on the value of Huge Connect. The long-term inflation rate utilised in the income approach valuation approximated 4.5%. Company specific risks have been included in the discount rate which has the impact of increasing the discount rate and decreasing the value of Huge Connect. A 1% change in the discount rate will result in a 9.7% change in the value of Huge Connect.

Sensitivity analyses were performed in respect of the following:

- Increasing and decreasing revenue by a maximum of 1%;
- Increasing and decreasing the EBITDA margins by a maximum of 1%;
- Increasing and decreasing the WACC by a maximum of 1%; and
- Increasing and decreasing the terminal growth rate by a maximum of 1%.

Preference Share valuation

Key internal value drivers to the Preference Shares income approach valuation included the discount rate and the coupon rate.

Key external value drivers to the Preference Shares income approach valuation, including gross domestic product ("GDP") growth rates, interest rates and headline inflation rates, were also considered in assessing the expected rate of return on the instrument.

8. ASSUMPTIONS

Our Opinion is based on the following key assumptions:

- Current economic, regulatory and market conditions will not change materially;
- Huge Connect is not involved in any material legal proceedings other than those conducted in the ordinary course of business and/or as disclosed in the Circular;
- Huge Connect is not, at the date of this Fairness Opinion of the Independent Expert, engaged in any advanced discussions relating to any acquisitions or transactions that will have a significant impact on the value of Huge Connect, other than those disclosed in the Circular;
- Huge Connect does not have any material outstanding disputes with the South African Revenue Service;
- Loans to related entities to Huge Connect will be settled and the remaining cash and cash equivalents will be declared as a dividend prior to implementation of the Proposed Transaction;
- There are no undisclosed contingencies that could affect the value of Huge Connect;
- The agreements that have been entered into in terms of the Proposed Transaction will be legally enforceable;
- The Proposed Transaction will have the legal, accounting and taxation consequences described in discussions with, and materials furnished to us by representatives and advisors of Huge Connect and Huge;
- Reliance can be placed on the financial information of both Huge and Huge Connect;
- For the purposes of this Fairness Opinion of the Independent Expert, we assumed Huge Connect's existing businesses to be ongoing under current business plans and management; and
- Representations made by Huge Connect management and their advisors during the course of forming this Fairness Opinion of the Independent Expert.

9. **APPROPRIATENESS AND REASONABLENESS OF UNDERLYING INFORMATION AND ASSUMPTIONS**

We satisfied ourselves as to the appropriateness and reasonableness of the information and assumptions employed in arriving at our Fairness Opinion by:

- Reliance on audit reports in the financial statements of Huge Connect;
- Conducting analytical reviews on the historical financial results and the forecast financial information, such as key ratio and trend analyses; and
- Determining the extent to which representations from management were confirmed by documentary and audited financial evidence, as well as our understanding of Huge Connect as well as the economic environment in which it operates.

10. **VALUATION RESULTS**

In undertaking the valuation exercise of Huge Connect above, we determined a valuation range of between R435 000 000 and R485 000 000 for the ordinary shares of Huge Connect with a most likely value of R458 000 000 immediately prior to the Preference Share Subscription.

Furthermore, we determined a valuation for the ordinary shares of Huge Connect of R925 000 post the Preference Share Subscription and Huge Connect Ordinary Dividend but pre the Windfall Share Subscription, and consequently, a valuation of R1 105 000 post the Proposed Transaction.

The above valuation is provided solely in respect of this Fairness Opinion and should not be used for any other purposes.

11. **OPINION**

We have considered the terms and conditions of the Windfall Subscription as set out above, and our opinion is based on the current economic, market, regulatory and other conditions and the information made available to us by Huge management.

Based on the results of our procedures and analysis performed and after taking into account all financial and non-financial considerations, we are of the view, subject to the limiting conditions as set out below, that the related party share issue, forming part of the Windfall Subscription, is fair to Huge Shareholders.

12. **LIMITING CONDITIONS**

This opinion is provided to the Board in connection with and for the purpose of the Windfall Subscription for the sole purpose of assisting the Board in forming and expressing an opinion for the benefit of Huge Shareholders. This opinion is prepared solely for the Board and therefore should not be regarded as suitable for use by any other party or give rise to third party rights.

This opinion is provided in terms of the Listings Requirements, the Act and the Regulations. It does not constitute a recommendation to any Huge Shareholder as to how to vote at any Shareholders' meeting relating to the Proposed Transaction or on any matter relating to it. Therefore, it should not be relied upon for any other purpose. We assume no responsibility to anyone if this opinion is used or relied upon for anything other than its intended purpose. Should an individual Huge Shareholder have any doubts as to what action to take, such Shareholder should consult an independent advisor.

The forecasts relate to future events and are based on assumptions, which may not remain valid for the whole of the relevant period. Consequently, this information cannot be relied upon to the same extent as that derived from audited financial statements for completed accounting periods. We express no opinion as to how closely actual results will correspond to those forecasted by the management of Huge.

We relied upon the accuracy of the information used by us in deriving our opinion, albeit that, where practicable, we have corroborated the reasonableness of such information and assumptions through, amongst other things, reference to historic precedent and our knowledge and understanding. Whilst our work has involved an analysis of the annual financial statements, forecasts and other information provided to us, our engagement does not constitute, nor does it include an audit conducted in accordance with applicable auditing standards. Accordingly, we assume no responsibility and make no representations with respect to the accuracy or completeness of any information provided to us in respect of the Proposed Transaction.

Budgets/projections/forecasts relate to future events and are based on assumptions, which may not remain valid for the whole of the forecast period. Accordingly, this information cannot be relied upon to the same extent as that derived from audited financial statements for completed accounting periods.

We express no opinion as to how closely actual results will correspond to those projected/forecast by the management of Huga and Huga Connect. We have compared the projected/forecast financial information to past trends as well as discussed the assumptions inherent therein with management.

The above findings are necessarily based upon the information available to us, the financial, regulatory, market and other conditions and circumstances existing and disclosed as of the date hereof. We have assumed that all conditions precedent in the transaction agreements, including any material regulatory and other approvals, if any, will be properly fulfilled/obtained. Subsequent developments may affect our findings, however, we are under no obligation to update, revise or re-affirm such.

The valuation of companies and businesses is not a precise science and conclusions arrived at, will, in many cases, be subjective and dependent on the exercise of individual judgement.

13. **INDEPENDENCE, COMPETENCE AND FEES**

We confirm that we have no direct or indirect interest in Huga Shares or the Proposed Transaction. We also confirm that we have the necessary qualifications and competence to provide the independent opinion on the Transaction.

Furthermore, we confirm that our professional fee is not contingent upon the success of the Proposed Transaction.

14. **CONSENT**

We consent to the inclusion of this letter and the reference to our opinion in the Circular to be issued to the Shareholders of Huga in the form and context in which it appears and in any required regulatory announcement or documentation.

Yours faithfully

[RESOLUTIONS TO BE INCLUDED]

Ordinary Resolution Number 1 – Approval of the Proposed Transaction

It is resolved that the Proposed Transaction as described in the Circular to which this Notice is attached, being the proposed effective disposal of a 16.29% interest in Huge Connect to Windfall through Windfall's subscription for 36 ordinary shares in the share capital of Huge Connect on the terms and conditions described and contained in the Windfall Ordinary Share Subscription Agreement, be and is hereby approved.

Reason for and effect of Ordinary Resolution Number 1

The reason for Ordinary Resolution Number 1 is that the Proposed Transaction is a related party transaction in terms of section 10 of the Listings Requirements and requires the approval of Shareholders in terms of paragraph 10.4(d). The effect of this Ordinary Resolution Number 1 is that the subscription by a related party, Windfall, for 16.29% of the Huge Connect Ordinary Shares is approved.

Mr Vincent Mokholo, a director of the Company, is also a director of Windfall and is, accordingly, deemed to be a related person to the Company for the purposes of section 75 of the Companies Act. Mr VM Mokholo has a personal financial interest in the implementation of the Proposed Transaction contemplated herein and will therefore recuse himself from voting on the resolutions contained herein.

Notes to the Form of Proxy

1. This Form of Proxy is for use by certificated Shareholders and Dematerialised Shareholders with "own name" registration whose Shares are registered in their own names on the record date and who wish to appoint another person to represent them at the General Meeting. If duly authorised, companies and other corporate bodies who are Shareholders having Shares registered in their own names may appoint a proxy using this Form of Proxy or may appoint a representative in accordance with the last paragraph below. Other Shareholders should not use this form. All beneficial holders who have dematerialised their Shares through a Central Securities Depository Participant ("CSDP") or broker, and do not have their Shares registered in their own name, must provide the CSDP or broker with their voting instructions. Alternatively, if they wish to attend the General Meeting in person, they should request the CSDP or broker to provide them with a letter of representation in terms of the custody agreement entered into between the beneficial owner and the CSDP or broker.
2. Forms of proxy must be lodged at or posted to The Meeting Specialist Proprietary Limited, JSE Building, One Exchange Square, Gwen Lane, Sandown, Johannesburg, PO Box 62043, Marshalltown, 2107, or proxy@tmsmeetings.co.za, by no later than 10:00 on Thursday, 21 November 2019. If Shareholders who have not dematerialised their Shares or who have dematerialised their Shares with "own name" registration and who are entitled to attend, participate in and vote at the General Meeting do not deliver the proxy form to the meeting scrutineers by the relevant time, such Shareholders will nevertheless be entitled to lodge the Form of Proxy in respect of the General Meeting immediately prior to the proxy exercising such Shareholder's rights as a Shareholder at the General Meeting, in accordance with the instructions therein, with the Chairman of the General Meeting.
3. This proxy shall apply to all the ordinary Shares registered in the name of Shareholders at the record date unless a lesser number of Shares are inserted.
4. A Shareholder may appoint one person as the proxy by inserting the name of such proxy in the space provided. Any such proxy need not be a Shareholder of the Company. If the name of the proxy is not inserted, the Chairman of the General Meeting will be appointed as proxy. If more than one name is inserted, then the person whose name appears first on this Form of Proxy and who is present at the General Meeting will be entitled to act as proxy to the exclusion of any persons whose names follow. The proxy appointed in this Form of Proxy may delegate the authority given to him/her in this Form of Proxy by delivering to the Company, in the manner required by these instructions, a further Form of Proxy which has been completed in a manner consistent with the authority given to the proxy of this Form of Proxy.
5. Unless revoked, the appointment of proxy in terms of this Form of Proxy remains valid until the end of the General Meeting even if such meeting or a part thereof is postponed or adjourned.
6. If:
 - 6.1 a Shareholder does not indicate on this instrument that the proxy is to vote in favour of or against or to abstain from voting on any resolution; or
 - 6.2 the Shareholder gives contrary instructions in relation to any matter; or
 - 6.3 any additional resolution/s which are properly put before the General Meeting; or
 - 6.4 any resolution listed in the Form of Proxy is modified or amended, the proxy shall be entitled to vote or abstain from voting, as he/she thinks fit, in relation to that resolution or matter. If, however, the Shareholder has provided further written instructions which accompany this Form of Proxy and which indicate how the proxy should vote or abstain from voting in any of the circumstances referred to in 6.1 to 6.4, then the proxy shall comply with those instructions.
7. If this proxy is signed by a person (signatory) on behalf of the Shareholder, whether in terms of a power of attorney or otherwise, then this Form of Proxy will not be effective unless:
 - 7.1 it is accompanied by a certified copy of the authority given by the Shareholder to the signatory; or
 - 7.2 the Company has already received a certified copy of that authority.
8. Any alterations made in this Form of Proxy must be initialled by the authorised signatory/ies.
9. This Form of Proxy is revoked if the Shareholder who granted the proxy:
 - 9.1 delivers a copy of the revocation instrument to the Company and to the proxy or proxies concerned, so that it is received by the Company prior to the proxy exercising such Shareholder's rights as a Shareholder at the General Meeting, in accordance with the instructions therein, with the Chairman of the General Meeting; or
 - 9.2 appoints a later, inconsistent appointment of proxy for the General Meeting; or
 - 9.3 attends the General Meeting in person.
10. If duly authorised, companies and other corporate bodies who are Shareholders of the Company having Shares registered in their own name may, instead of completing this Form of Proxy, appoint a representative to represent them and exercise all of their rights at the General Meeting by giving written notice of the appointment of that representative. This notice should be received by the Company's meeting scrutineers by no later than 10:00 on Thursday, 21 November 2019 and must be accompanied by a duly certified copy of the resolution/s or other authorities in terms of which that representative is appointed.

Summary of rights established by section 58

Summary of rights established by section 58 of the Companies Act, 71 of 2008 (Companies Act), as required in terms of sub-section 58(8)(b)(i):

1. A shareholder may at any time appoint any individual, including a non-shareholder of the Company, as a proxy to participate in, speak and vote at a shareholders' meeting on his/her behalf (section 58(1)(a)), or to give or withhold consent on behalf of the shareholder to a decision in terms of section 60 (shareholders acting other than at a meeting) (section 58(1)(b)).
2. A proxy appointment must be in writing, dated and signed by the shareholder, and remains valid for one year after the date on which it was signed or any longer or shorter period expressly set out in the appointment, unless it is revoked in terms of paragraph 6.3 below or expires earlier in terms of paragraph 10.4 below (section 58(2)).
3. A shareholder may appoint two or more persons concurrently as proxies and may appoint more than one proxy to exercise voting rights attached to different securities held by the shareholder (section 58(3)(a)).
4. A proxy may delegate his/her authority to act on behalf of the shareholder to another person, subject to any restriction set out in the instrument appointing the proxy ("proxy instrument") (section 58(3)(b)).
5. A copy of the proxy instrument must be delivered to the Company, or to any other person acting on behalf of the Company, before the proxy exercises any rights of the shareholder at a shareholders' meeting (section 58(3)(c)) and in terms of the Memorandum of Incorporation (MOI) of the Company at least 48 hours before the meeting commences.
6. Irrespective of the form of instrument used to appoint a proxy:
 - 6.1 the appointment is suspended at any time and to the extent that the shareholder chooses to act directly and in person in the exercise of any rights as a shareholder (section 58(4)(a));
 - 6.2 the appointment is revocable unless the proxy appointment expressly states otherwise (section 58(4)(b)); and
 - 6.3 if the appointment is revocable, a shareholder may revoke the proxy appointment by cancelling it in writing or by making a later, inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and to the Company (section 58(4)(c)).
7. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on behalf of the shareholder as of the later of the date stated in the revocation instrument, if any, or the date on which the revocation instrument was delivered as contemplated in paragraph 6.3 above (section 58(5)).
8. If the proxy instrument has been delivered to a Company, as long as that appointment remains in effect, any notice required by the Companies Act or the Company's MOI to be delivered by the Company to the shareholder must be delivered by the Company to the shareholder (section 58(6)(a)), or the proxy or proxies, if the shareholder has directed the Company to do so in writing and paid any reasonable fee charged by the Company for doing so (section 58(6)(b)).
9. A proxy is entitled to exercise, or abstain from exercising, any voting right of the shareholder without direction, except to the extent that the MOI or proxy instrument provides otherwise (section 58(7)).
10. If a Company issues an invitation to shareholders to appoint one or more persons named by the Company as a proxy, or supplies a Form of Proxy instrument:
 - 10.1 the invitation must be sent to every shareholder entitled to notice of the meeting at which the proxy is intended to be exercised (section 58(8)(a));
 - 10.2 the invitation or Form of Proxy instrument supplied by the Company must:
 - 10.2.1 bear a reasonably prominent summary of the rights established in section 58 of the Companies Act (section 58(8)(b)(i));
 - 10.2.2 contain adequate blank space, immediately preceding the name(s) of any person(s) named in it, to enable a shareholder to write the name, and if desired, an alternative name of a proxy chosen by the shareholder (section 58(8)(b)(ii)); and
 - 10.2.3 provide adequate space for the shareholder to indicate whether the appointed proxy is to vote in favour of or against any resolution(s) to be put at the meeting, or is to abstain from voting (section 58(8)(b)(iii));
 - 10.3 the Company must not require that the proxy appointment be made irrevocable (section 58(8)(c)); and
 - 10.4 the proxy appointment remains valid only until the end of the meeting at which it was intended to be used, subject to paragraph 7 above (section 58(8)(d)).
